

Tuition

Schedules for payments will be worked out with the school board.

1. The school reserves the right to withhold report cards and transfer of academic records until delinquent tuition is paid in full. In addition, no senior student will be permitted to participate in graduation exercises or receive a diploma unless the family's financial obligations to the school are current or other arrangements have been made with the school board.
2. An account that has an outstanding balance at the end of a quarter will have a grace period of one quarter to catch up or to set up a payment plan with the treasurer. If no arrangement has been made and the account is still behind after the one quarter grace period, the student will be unenrolled and therefore unable to attend CCA until the account is brought into good standing.
3. All unpaid tuition must be paid in full before beginning a new school year, unless other arrangements have been made with the school board.
4. The tuition charged does not cover the cost of education. What tuition does not cover must be supplied by parents and friends of the school through donations and fund-raising. All gifts are tax-deductible.
5. Receipts for donations will be given when the donor specifically asks for a receipt at the time of the donation.
