

Canon Christian Academy Tuition Assistance Fund

Canon Christian Academy hereby establishes a Tuition Assistance Fund (hereafter "TAF"). The purpose of the TAF is to support families whose circumstances make it difficult to pay tuition.

- I. Donors are invited to designate gifts to the TAF. Gifts so designated will be made available to any eligible family who completes the application process.
- II. Eligible families
 - A. Any family whose income is at 150% of the federal poverty level is welcome to apply to the TAF.
- III. Process
 - A. Applicant families (hereafter "applicants") will submit to the board an application form for each student and income tax records from the previous year. If a family's income has changed dramatically from the previous year, paystubs from the previous three months may be submitted in lieu of tax records. The board, at its discretion, may request further documentation to substantiate the income change.
 - B. The board will confirm the eligibility of the applicants.
 - C. After the application deadline, the board will calculate the monthly tuition reduction based on the number of eligible applicants and the amount in the fund, then inform each applicant of the tuition deduction.
 - D. The maximum reduction in tuition will be no greater than \$2100 per student.
- IV. Addenda:
 - A. Any funds designated to the TAF will be disbursed through the above process. Donors who wish to pay tuition for a specific student are invited to designate that gift in a separate donation.
 - B. For the 2022-23 school year:
 - a. The TAF application deadline will be June 30. The board will inform eligible applicants of the expected tuition reimbursement amount by July 31.
 - b. The maximum deduction per family will be \$2100 per student. Donations that are received in excess of this amount will go into the next year's TAF.
